Five-year Integrated MSc Economics (as per NEP 2020)

Two-year MSc Economics

Two-year MSc Financial Economics

“na hi jnanena sadrsam pavitram iha vidyate”

“Verily there is nothing as purifying as wisdom”

With the aim of establishing an institute of higher education in the field of Economics and allied disciplines, the Government of Karnataka constituted a committee under the Chairmanship of Shri. S. V. Ranganath, Vice Chairman, KSHEC and former Chief Secretary to the Government of Karnataka. Based on the recommendation, the Government of Karnataka approved the establishment of the School of Economics at a cost of ₹350 crores and allotted 43.45 acres of land in the Jnana Bharathi Campus of Bangalore University.

Initially, Bengaluru Dr. B. R. Ambedkar School of Economics is registered under the Karnataka Societies Registration Act, 1960 (Act No.17 of 1960). The foundation stone of the University was laid by Honourable President of India, Shri. Pranab Mukherjee on 14th April 2017, in the Banquet Hall of the Vidhana Soudha, Bengaluru to mark the 125th birth anniversary of the architect of the Indian Constitution.

The first batch of B.Sc. (Honours) Economics was admitted in June-July 2017, through an all-India entrance test conducted by Karnataka Examination Authority and classes commenced on 28th August 2017. The Academic session of the University was formally inaugurated at Dr. B.R. Ambedkar Bhavan by Honourable former Prime Minister of India Dr. Manmohan Singh on 4th October 2017.

We are proud to announce that Bengaluru Dr. B.R Ambedkar School of Economics became a Unitary University under Government of Karnataka in the field of Economics and Social Sciences vide notification no. ED 41 UBV 2018(P-2) dated 30th October 2019.

Honourable Prime Minister Shri Narendra Modi unveiled a statue of “Bharat Ratna” Dr. B. R. Ambedkar at the campus of Dr B. R. Ambedkar School of Economics University, Bengaluru on 20th June, 2022 and also inaugurated the newly built campus. The Prime Minister said that Dr. B R Ambedkar School of Economics University is a tribute to the intellectual prowess of Dr. B. R. Ambedkar and the newly built campus will benefit several students.

School of Excellence

With the construction and completion of new campus, the University will soon have world class facilities at the disposal of the students and faculty. The 43.35 acre campus lies in the heart of one of the few remaining green areas in the city of Bengaluru - Nagarabhavi, a stone's throw away from Bangalore University, the Institute for Social and Economic Change, NAAC, and the National Law School of India University. The University will have state-of-the-art sports facilities, Auditorium, staff accommodation, guest house etc.

Dr. B. R. Ambedkar School of Economics University, Bengaluru is established for public benefit and accordingly its objectives are to endeavour along the lines indicated by Dr. B.R. Ambedkar, the main architect of the Constitution of India and a renowned economist. He wrote:

“The student so trained should learn to distinguish between what may fairly be called matter of fact and what is certainly mere matter of opinion. He should be accustomed to distinguish issues, and to look at separate questions each on its own merits and without an eye to their bearings on some cherished theory. He should learn to state fairly, and even sympathetically the position of those to whose practical conclusions he is most stoutly opposed. He should become able to examine the suggested idea, and see what comes of it, before accepting it or rejecting it. Without necessarily becoming an original student he should gain an insight into the conditions under which original research is carried on. He should be able to weight evidence, to follow and criticize argument and put his own value on authorities.”

*-- From Works and Speeches of Dr B R
Ambedkar, Vol.II-P-296-297*

Academic Aspirations

University already has close to 300 students enrolled in the 2-year MSc Economics, 2-year MSc Financial Economics and the 5-year Integrated MSc Economics programmes (as per NEP), and we expect to start our PhD programme soon. The national character of the University is amply reflected in the many states that our students come from. Admission of the candidates belonging to Persons of Indian Origin (PIO) and Foreign Nationals is also started from the year 2021-22, with an intake of 5 for each course, which is in addition to the existing intake capacity for each of the courses offered by the University.

University aims to make its presence felt world over as one of the finest training institutions in Economics. We will not only set a new model in teaching and research in Economics but also assist the Government of Karnataka, other state governments, Government of India and other international institutions in policy formulation. University focuses on imparting holistic knowledge in the discipline of Economics by providing an understanding of other social science disciplines such as Political Science, Sociology, Philosophy, Ethics etc. The teaching and training will focus on freedom to think and allow a free flow of new currents of thought.

University students receive a rigorous training in all the core Economics courses from a quantitative approach. Apart from core Economics courses, additional core courses include Computer Fundamentals, Computer Laboratory, Constitutional Economics, Behavioural Economics, Social and Economics Thoughts of Dr. B. R. Ambedkar, and Programming with R and Python. Students also have a rich variety of elective courses to choose from, including Economic Applications of SQL-RDMS, International Finance, Entrepreneurship Development, Big Data Analytics, Law and Economics, Corporate Finance, Economics of Climate Change, Introduction to Artificial Intelligence and Machine Learning, among others. Overall, our courses train students for a career in the corporate, academic, public policy or analytics depending on their interest.

Vice Chancellor and Registrar

N. R. Bhanumurthy, Vice-Chancellor

Prof N R Bhanumurthy took charge as a first Vice-Chancellor in June 2020. He is on leave from NIPFP, New Delhi, where he has been Professor since 2009. He also worked as Assistant Professor and Associate Professor at Institute of Economic Growth.

His research areas are macro-monetary economics, fiscal policy, international money and finance, macroeconomic modelling, and development economics. In these areas he has authored over 80 research papers and five books. He has had brief stints at several international developmental organisations and served in over 25 Government and Semi-Government Committees. At the national level, currently he is serving on the Advisory Committee on National Accounts Statistics constituted by Ministry of Statistics and Programme Implementation; 'High Level Committee on Monitoring and Evaluation' by Ministry of Rural Development, Government of India; and Research Advisory Committee, Securities and Exchange Board of India (SEBI).

He has received two prestigious awards: **Mahalanobis Memorial Medal (National) Award** for the year 2014 for his outstanding contributions to the field of quantitative economics in India; and **VKRV Rao Prize in Social Sciences (Economics)** for the year 2015, for high quality research and for significant contributions to social science research in India.

Shobha B, KAS (Selection Cadre)

Smt. Shobha B., a Senior Scale Karnataka Administrative Service Officer, has taken charge on 23/11/2021 as the Registrar of Dr. B. R. Ambedkar School of Economics University, Bengaluru. She has earlier served at various prominent posts in the State Government viz., Joint Director in Directorate of Municipal Administration, Additional Commissioner (Admin)- Excise Department, Government of Karnataka, Assistant Commissioner of Kumta sub-division, Joint Director (Admin), Agriculture Department, Admin Officer in Directorate of IT & BT. She has a vast experience in Administration

20. **Premalatha Balasubramanyam**- M.A in Clinical Psychology, Institute of Transpersonal Psychology, California (Psychology)

The faculty at this University are young and enthusiastic about research and teaching. Their classroom discussions are lively and students are fully engaged - intellectually. This is achieved through a seamless integration of their own research findings with the University curriculum. The areas they are currently researching include Macroeconomics, Public Finance, International Finance, Information Asymmetry, Financial Economics, Choice Modelling, Modelling Returns to Skill, Data Mining, History of Economic Thought, Political Economy, Environment and Energy, Labour, Gender and Health Economics among others. As we are soon going to be recruiting more full-time faculty members, we expect this list to expand greatly. The University recently initiated University Working Paper series to disseminate faculty/student research. The 'Distinguished Lecture series' bring the doyens, policy-makers and experts from various domains in economics and deliver lecture on various relevant issues. As part of the India's G20 presidency, the University has been identified as a secretariat for the Task Force 1 on "Macroeconomics, trade policy and livelihoods" under the Think Tank 20 group. With Dr N R Bhanumurthy as a Chair for the Task Force For more details, please visit www.base.ac.in.

Students Corner

Students are the finest asset of the University, and there are dedicated faculty members and office staff to support them in curricular and extra-curricular activities. This is apart from the conference presentations made by the students of the University in prestigious national conferences. Students keep winning prizes, overall championships of many famous national level intercollegiate festivals, talent hunts and research competitions which shows the healthy environment university offers for the holistic development.

Some undergraduate dissertations are already published. This is apart from the conference presentations made by the students of the University in prestigious national conferences like TIES 2023 (The Indian Econometric Society) Annual conference.

The Cultural and Sports Committee, University have organised major events like Aurora and Noor in 2022 and have celebrated Independence Day, Kannada Rajya Mahotsav which all showcased the talent and team spirit of the student community. 'Sparrow day' competition, Actonomics and various sports competitions like throwball, volleyball, chess, carrom and table tennis were also conducted. Several competitions were held as part of 'Azadi Ka Amrit Mahotsav' in essay writing, painting, patriotic singing and Marathon.

The student-run clubs of the University are for debate, dance, quiz, design and photography club, train the students and sharpen their skills to attend several events. Our students have won many prizes in the national level intercollegiate festivals, talent hunts and research competitions. This includes the championships and achievements in the events hosted by IIM Bangalore, Christ University, St. Josephs University, National Institute of Bank Management, Pune.

Summer Internships and Placements – 2021-22 for 2-year M.Sc. Economics

The Training and Placement Office (TPO) prepares students for campus recruitment by arranging training sessions in aptitude tests, group discussions, technical & HR interviews, and other relevant areas, conducted by professional trainers. Further, TPO coordinates with companies to learn about their requirements and recruitment procedures and arranges the campus recruitment process for job placements as well as internships. TPO achieved 95.2% final placement in the first season for the MSc Economics batch with 100% internships. Students secured internships in reputed organizations like RBI, NSE, PwC, EXIM Bank, Athena Infonomics, Government of Karnataka, NABARD, Elara capital, Global Data etc. Companies like PwC, Kantar, CTIER, Nielsen, Tech Mahindra, Paperpedia, AU Small Finance Bank, Global Data were the notable recruiters in 2021-2022 and the highest salary secured by the students is Rs.9.5-10 lakh and the median salary is Rs.5.8 lakhs.

Our students have undergone internship in the following institutions :-

Entrance and Course Details -2023-24

Programs Offered:

- Five-year Integrated M.Sc. Economics as per NEP 2020 [75 seats for Indian candidates + 5 seats for PIO/Foreign Nationals]

4. The Fee structure is subject to revision on the basis of the University and shall be notified through separate notification.

Scholarships / Fellowships

1. Scholarships: University shall facilitate the scholarship applications of the reserved category and minority students of Karnataka by providing them the required AISHE (All India Survey on Higher Education) Code, which is necessary during online application in the National Scholarship Portal (<https://scholarships.gov.in/>).

2. Exim Bank would provide scholarship for 3 meritorious students from the two-year M.Sc. Economics final year. The **Exim Bank-BASEU Scholarship** will be offered to two meritorious students along with another scholarship for the topper among the reserved category (SC/ST/OBC) students, based on the performance of the students in their first year. Scholarship amount would be 5,000/- per month per student.

The Halls of Residence

University offers only full-time residential programmes. Residing on campus enables students to widen their horizon and acquire important interpersonal skills. There are separate girls' and boys' hostel blocks in the campus.

Students are each provided with a cot, cupboard, chair and table. They are advised to bring their own mattresses, curtains and bed-linen. Hostels have 24-hour running hot water facility. Laundry facilities are also available in the hostels. As Bengaluru experiences cold weather during November-January, students are advised to bring blankets and warm clothing.

The Halls of Residence have a common-room area for each floor, facilities for indoor games and a small in-house library. To ensure uninterrupted power supply, the Halls of Residence have their own generators. Facilities of the public call office (PCO) and 24-hour security are some of the other features which ensure that students enjoy basic amenities and security so that they can focus on their studies.

The Halls of Residence Rules and Regulations are shared at the beginning of each academic year. Committees are constituted to ensure compliance.

Students are expected to adhere to the Rules and Regulations, failing which they will be subject to disciplinary action. Students must also identify a local guardian who can be contacted in case of any emergency.

All the day-to-day activities are to be managed by the students themselves through any committees necessary for maintaining discipline, planning meals, or other activities. At the beginning of every academic year, students may be elected to the committees. This will enable students to gain valuable organisational skills. The kitchen will serve vegetarian food on all days and non-vegetarian food on designated days.

The residents are not permitted to leave campus without permission and are not allowed to stay outside their Halls of Residence, after specified hours. Keeping four/two wheelers on campus is not permitted.

The University reserves the right to refuse admission into the Halls of Residence to students who refuse to abide by the Rules and Regulations.

The wardens of the girls' and boys' hostels may be approached at any time.

Facilities

Academic

I. Learning Resource Centre

University library, Learning Resource Centre as it is rightly called, is well designed to support e-learning as it is equipped with books, digital resources, and subscriptions to various databases to assist students and young professionals in the pursuit of their academic excellence.

Very soon, we expect to have online access to economics and related disciplines journals. In the meanwhile, we benefit from the memberships with ICSSR, the ISEC library, and DELNET.

ii. Guest lecture series

A holistic understanding of any subject requires an interdisciplinary approach. This is done by not only having theoretical courses on subjects such as Ethics, Economy and Society, Political Economy, Perspectives in Social Sciences etc. but by also conducting discussions on various topics of Social Sciences disciplines by inviting various leading researcher since their respective fields. This initiates rich academic discussions, which widens the knowledge of the students. This approach builds a bridge between Economics and other social sciences disciplines.

iii. Distinguished Lecture Series

University is proud to have already started the Distinguished Lecture Series with the world-renowned Dr Avinashi Dixit of Princeton University – telecasted live on 11th February 2021. We have more exciting lectures scheduled in the coming months.

iv. Foundation Day Lecture Series

October is the month that university Act came into existence. University will be annually celebrating during the month of October Foundation Day. We plan to have an eminent speaker address the staff, faculty and students of the University, as well as the people of Bengaluru.

v. Wi-Fi Campus

The entire campus will be provided with high-speed internet

vi: Smart Classrooms

Classrooms are equipped each with a touch-screen computer, projector, and an audio system to facilitate the use of all kinds of media for classroom activities.

vii: Computer Laboratory

Two large Computer Laboratories are constructed with powerful systems which will have all the required software.

viii: Nescafe and Nandini Milk Parlour Outlet

In order to provide basic needs for the Students, Staff and visitors of the University, Nescafe outlet has already been started and **Nandini Milk Parlour Outlet** will soon start its operation on the campus.

Disciplinary Norms

Note to the Students:

The University expects the students to be highly focused in academics and make maximum use of the facilities available for holistic development. Exams will be conducted periodically.

Dr. B. R. Ambedkar School of Economics University, Bengaluru is dedicated not only to learning and advancement of knowledge but also to developing ethical and responsible human beings. The disciplinary policies are made with this uncompromising perspective.

- Ragging of any kind and magnitude inside/ outside the college campus will lead to appropriate disciplinary action.

- Any kind of disturbing behaviour in the campus is not permitted.
- Smoking, use of drugs, alcohol or peddling drugs in the campus is prohibited.
- Any ill-treatment, both physical and verbal, based on gender, caste and religion will lead to appropriate disciplinary action.

Note to Parents:

Parents and guardians are asked to follow the student's progress in studies and his/her general conduct in and outside the college. Their co-operation is solicited specially to ensure a regular attendance and academic progress. Visit regularly the University website www.base.ac.in for any information about your ward / university particularly through Student Portal.
