ABOUT UNIVERSITY

Dr. B R Ambedkar School of Economics University is an emerging institute of excellence in economic research and education. It was formed to fulfill the need of an eminent institution in the field of economics that caters to the demands of our rapidly changing and growing nation.

Our University nurtures future economists and policy makers by imbining in them about the dynamics and challenges of our moving world. It endeavors to develop a one-of-a-kind model of pedagogy and research in economics and its allied fields. The curriculum is designed to train students in the fields of growing importance, in virtually every modern career, be it corporate, academia, analytics or public policy. The expertise of our students is enhanced through exposure to the latest theoretical and empirical research.

WHAT IS BODH'23?

BODH is a Sanskrit word for "awakening" or "enlightenment". It represents the pursuit of knowledge, the search for truth, and the expansion of human consciousness. The concept of BODH has been a guiding principle for scholars and seekers of wisdom for thousands of years.

BODH'23 continues this tradition of intellectual curiosity and exploration. It is an opportunity for students from different colleges to come together, test their knowledge, and learn from each other. The competition features three exciting categories: General Quiz, POP Culture Quiz, and Way of Pirates. Each category offers a unique challenge and a chance to showcase your skills.

At BODH'23, we celebrate the spirit of learning, discovery, and collaboration. We invite you to join us on this exciting journey of exploration and enlightenment. Let's awaken our minds and expand our horizons together!
